

# REMOVAL OF CONSENT TO RECEIVE RESEARCH INVITATIONS

**If you have previously given consent to receive invitations to participate in research, and you no longer wish to receive these invitations, you should complete this form to withdraw your consent.**

I,  (please print name)

being myself / parent / person responsible (please circle the appropriate response here and throughout this document)

hereby withdraw consent to receive invitations from CP Register staff to participate in research studies

I have read and understood the information sheet and had any questions answered to my satisfaction. I am aware that I should retain a copy of this form, when completed, and the information sheet for my records.
